Dear Mr. Neely,

Thanks alot for your inquiry of our  
sale. Glad to hear from you, & look these  
Pedigrees over closely & feel free to call  
me, if you feel so desire too. As by some  
of the pedigrees, you can tell about what you are  
expecting them to look.

Now on June 6 & 7, I'll be at the  
Livestock Bazaar, reach me there. If you  
want to send me seal kids, I'll do my best  
& use my judgment real closely on grading  
somebody else's money. If you purchase any, I'll  
see to that their taken care of, until pick up.

Thanks again, for writing. Sincerely,  
Fred Nichols

# **---ANNOUNCEMENT---**

It is with great satisfaction that the members of the Marshall County (Iowa) Shorthorn Breeders Association announce their forthcoming 88th Auction Sale.

For a hundred years the rich pastures and fertile fields of Central Iowa have produced prime beef, the most nourishing and substantial article of diet that has yet been available to mankind.

Partisans of various breeds of cattle may make extravagant claims for their favorites, but the truth is that NO beef animal is superior to a good Shorthorn.

Prime beeves still are the highest-selling animals in the stockyards, and seem destined to remain in that position. The only known way to produce top-selling steers is through the use of good bulls, such as are selling in this sale.

We claim without fear of successful contradiction that the Marshall County Shorthorn Breeders Association is the oldest beef brand Association in America selling cattle over the auction block every year, in boom times or bad times, during war or peace.

Try to be here **EARLY**. Things will move promptly at 7:00 P. M.

We have endeavored to bring you the **BEST** cattle possible for this sale. All are sound of leg and health; many bulls of outstanding herd bull caliber; others big and strong for crossing purposes. The heifers are a nice bunch and we are really proud of them. This sale, as usual, features some real reliable breeders with sound cattle sense. These are presented in their working clothes and they are the kind that make the purchaser money. There are both Horned AND Polled cattle in this sale. They carry well-known, dependable bloodlines. We will do all we can to make you welcome and give all assistance possible in your purchases.

The Owner and Manager of the Scotch-Glen Shorthorn Farms of Clemons, Iowa, inspected and selected these cattle, so good, top, desirable breeding stock will be entered in this outstanding event. **DON'T FAIL** to attend this great Auction and select your next Bull and extra Females. Selection can be made of cows with calves at foot; bred cows and heifers with outstanding breeding and pedigrees. Choose from several strong aged yearling heifers selling open!! And some outstanding club heifer show prospects that are able to go in anyone's Show string to finish it out in great satisfaction and success.

Be sure to come early and look over the cattle and pick out your needs. I know we can fulfill those you are lacking.

Contact me anytime. Hoping I can help you in any way, I remain.

There will not be a show in connection with the sale.

**FRED NICHOLS**, Sale Mgr.

**SPECIAL NOTICE—THERE WILL BE 2 FREE DOOR PRIZES GIVEN FOR ADULTS & CHILDREN UNDER 18 BY MAR'DA 'Ds, OWNED BY DALE E. PETTY, ELDORA.**

**—A GOOD RESTAURANT IS AVAILABLE AT THE SALE BARN—**

# TERMS & CONDITIONS OF SALE

**Location**—The Sale will be held in the recently built Sales Barn owned and managed by Wm. O'Neill, in the northwest part of Eldora, Iowa. It will be held Friday, June 7, 1963, at 7:00 P. M. Intersecting highways make Eldora easy of access from all parts of Iowa and adjoining states. Eldora is 325 miles west of Chicago, 200 miles east of Omaha, and 300 miles northeast of Kansas City.

**Terms**—Cash, settlement to be made with Clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accidents, but will not be responsible should any occur.

**Guarantee**—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought; and if, after three months' trial by seller he proves to be infertile, purchase price will be refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred are sold open and at buyer's risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

The consignor, if he wishes to do so, may place ONE bid only with the auctioneer, providing he does so before the auctioneer has declared the animal sold. In case of any animal not selling, sale expense will be figured on the basis of the last bid taken by the auctioneer. This sale expense must be paid, and a release obtained from the manager before the animal is removed from the barn.

Sale Manager assumes no responsibility in case of settlement.

**Pedigree Certificate**—A certificate of Registry and Transfer will be furnished with each lot sold, and an application of Registry will be furnished for each calf sold at foot and each unborn calf sold at dam.
